

20th Annual World Koi Carp Classic

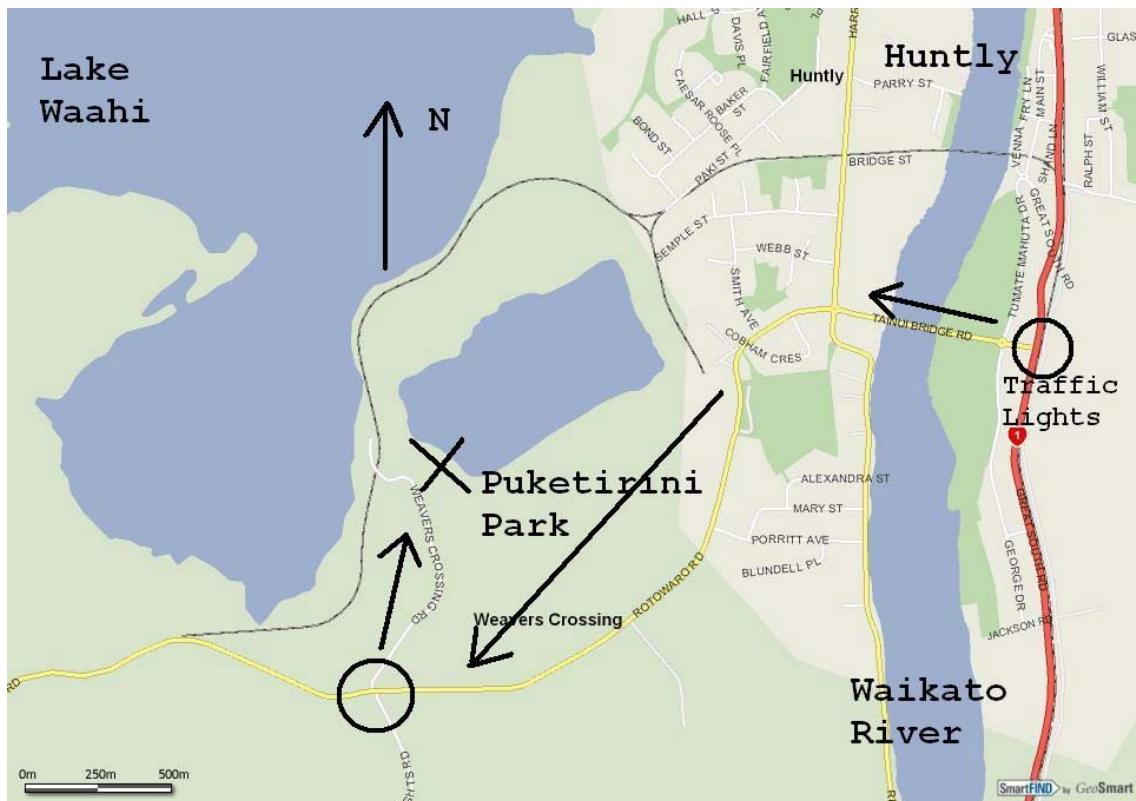

Puketirini Park Huntly Nov 7th – 8th 2009

This is a bowfishing competition for NZBS members only. The public is welcome to attend and can help us be taking away koi carp for bait. 'Storming Norman' will also be on site to produce prime carp berley. If you have friends who are keen fishos be sure to tell them about this event. The more fish taken away the less we have to dispose of afterwards. The best time for the public to attend is during the weigh-in.

Weigh-in times are: Saturday 5pm to 7pm, Sunday 2pm to 4pm.

Divisions include: Heaviest koi carp, heaviest weight of koi carp shot by a team of two, heaviest koi carp shot by a Junior, heaviest koi carp Saturday/Sunday, heaviest white carp, most koi carp, smallest koi carp and heaviest other fish (note that DOC have requested that eels not be accepted in this section).
